

## Class 2/3 Daily Learning Tasks: Monday 1<sup>st</sup> June – Friday 5<sup>th</sup> June

Dear Parents/Carers,

I hope you are all well and ready for our final half term of the school year. We will be learning lots about water, animals and habitats this half term. We will also have our first go at using specially made youtube videos to help make writing challenges a little easier so keep your eyes peeled for the links in the writing pack. White Rose continues to be our source for Maths lessons:

This half term, Year 2 will have a go at Topic lessons in their own weekly pack. Year 3 who will use the Reach Out Water, Weather and Climate booklet which should hopefully arrive with you this week.

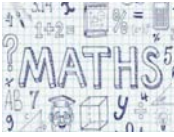

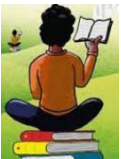

Please do send us pictures of the work your children are doing; it's great to see what you have all been getting up to!
