

Class 2/3 Daily Learning Tasks: Monday 13th July – Friday 17th July

Dear Parents/Carers,

In our final week of term, we have a number of online events planned to help us bring this academic year to a close and to help us look forward to the next. These will involve Teams meetings and use of our class share space, padlet.com/anwencoburnlewis/curfgeseklu6iy0w. Details, including links and time of all these events can be found in the timetable below but also in a separate document to help make it really clear what is happening when. There will be a class end of term 'get together', a chance to 'meet' the next teacher and even join a Primary Phase assembly! Although we can't be together in person, these special online events will hopefully help children to feel as if the school year has come to a close and provide an opportunity to see their classmates on screen.

Don't forget that this half term, Year 2 have their own weekly Topic Pack. Year 3 are welcome to choose activities from this pack too if they would like to. This week the **2nd Science Light Pack** and the **Final Creativity Pack** can be found **on the class page of the school website** as they files are too big to email to you! www.dartmouthacademy.org.uk/633/class-23

White Rose continues to be our source for Maths lessons and our Sumdog Challenges puts time table knowledge into practise.

Year 2

You have all made an absolutely epic effort with learning from home this term and we could not be more impressed or more proud. Thank you for working so hard, you are all **amazing!**

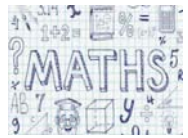

Have a wonderful summer, we can't wait to see you all again in September.

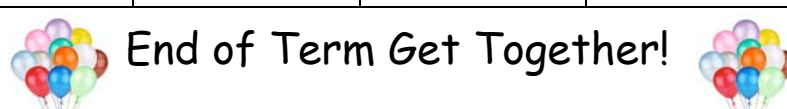

Until then, take care, stay safe and have fun!

Mrs Coburn-Lewis and Mrs Gorton

 Time to Reflect 						
<ol style="list-style-type: none"> 1. Think of a 'highlight of the year' - something brilliant that you have done or seen this year. It could be a funny memory or an achievement you're proud of during your time at school this year. 2. Create a video, drawing, photo, poster, whatever you fancy making. Be prepared to talk about them! 3. Share it to your class Challenge Week Padlet (see below) <p>Padlet is an easy and secure way of sharing our ideas and our work. You do not have to register or download any app; just click on the link below and upload your thoughts, a short video or an image of your work. https://en-gb.padlet.com/anwencoburnlewis/curfgeseklu6iy0w</p> <p>THE PARENT BIT: please support your child to add appropriate content. All posts will be moderated before they appear online so there may be a short delay in seeing them.</p>

Join a Microsoft Teams meeting with Mrs Coburn-Lewis and other members of the class to look back and celebrate the current year. We will be looking back at the Padlet you created yesterday and you may get the chance to say a few words Mrs Coburn-Lewis and to your friends if you want to. See you there!

- Stay with your child in the room to support them technically.
- Keep the microphone on 'mute' until it is your turn to talk.
- Use the chat function to ask any questions and please ensure comments are appropriate and related to the task
- Put your hand up' using the small hand icon on the screen if you want to speak.

Hopefully, the meeting will work as it should at the first time of asking but please don't worry if you have problems joining in - we will try to record the sessions for later use.
