

## Class 2/3 Daily Learning Tasks: Monday 15<sup>th</sup> June – Friday 19<sup>th</sup> June

Dear Parents/Carers,

We hope you've had good weekend. We missed World Ocean's Day last Monday, so this week's Special Topic gives children a chance to think about a topic they are really passionate about: plastic pollution. There is a special pack which you can find on our class page of the school website. You can find lots more resources using this link if your child is really enthusiastic and wants to know more: <https://worldoceanday.school/resources-2020/>.

This week we continue using Meerkat Mail for our Writing tasks. Remember you can find a copy of the book in 6 parts on our class page of the school website: [www.dartmouthacademy.org.uk/633/class-23](http://www.dartmouthacademy.org.uk/633/class-23). A good reading of the book can be found here: [www.youtube.com/watch?v=DcwuTRQ16MU](https://www.youtube.com/watch?v=DcwuTRQ16MU).

White Rose continues to be our source for Maths lessons and there is a Big Times Tables Challenge happening this week on Sumdog – each child has a specific times table assigned to them and they need to aim for 20 correct answers a day to achieve 100 correct answers by the end of the week.

Year 2

[whiterosemaths.com/homelearning/year-2/](http://whiterosemaths.com/homelearning/year-2/) and [www.dartmouthacademy.org.uk/880/maths-home-learning-year-2](http://www.dartmouthacademy.org.uk/880/maths-home-learning-year-2)

Year 3

[whiterosemaths.com/homelearning/year-3/](http://whiterosemaths.com/homelearning/year-3/) and [www.dartmouthacademy.org.uk/881/maths-home-learning-year-3](http://www.dartmouthacademy.org.uk/881/maths-home-learning-year-3)

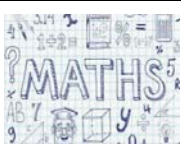

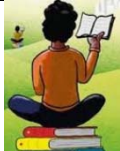

Don't forget that this half term, Year 2 have their own weekly Topic Packs and Year 3 should use their Reach Out Water, Weather and Climate booklet. I've included some videos and an extra resource, Guide to Air Masses, to help with this week's lesson because there are some faults with the booklet's formatting!

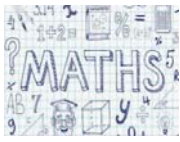

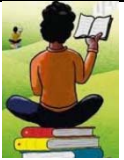

Keep sending pictures and getting in touch if you need advice or support. Please note, however, that because the school is now open for some pupils, we are in school and teaching on Thursdays and Fridays which means you might not receive a reply as quickly as usual.

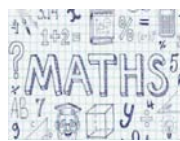

Please email **both** Mrs Coburn-Lewis **and** Mrs Gorton from now on. Mrs Coburn-Lewis' day off has changed to a Monday but Mrs Gorton is able to help on this day.

Take care and stay safe,

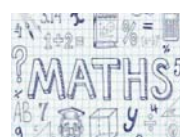

Mrs Coburn-Lewis and Mrs Gorton
