A wonderful start to the new academic year!

All of us at Dartmouth Academy have been celebrating the excellent Primary and GCSE results achieved by pupils this summer. I am incredibly proud of all the pupils, staff and parents who have worked together in order to achieve these results. We are delighted with the choices that Year 11 pupils have made regarding their future study. In a truly comprehensive and inclusive school it is beyond reward to see such a significant proportion of pupils aspiring to, and achieving being, their best selves.

NEW LEADERSHIP STRUCTURE FOR 2019-20

I would like to thank all parents for a fantastic start back to this year with regard to uniform and equipment. I have had so many comments from our neighbours regarding how smart the pupils look—especially the girls in the new skirts. Thank you .

We cannot wait to see the school go from strength to strength.

Our Vision: Be your best self.
