

Reading and
Home Learning Diary
Key Stage Two

Name:

Year:

Working together always makes us better

Dear Parent/Carer,

Thank you for all of the support you will give your child with their learning at home this year. Children rise to the challenge we set them to 'be their best self' when parents and school work together.

Each week we ask you to:

- **Ensure that your child completes their home learning on time**
- **Discuss the home learning with your child**
- **Write in the home learning diary each week and sign it on a Thursday morning.**

Dear pupil,

Each week your teacher will expect you to complete the home learning which is listed below. There may be other home learning which is set linked to your topic work, but this will not happen every week.

Reading

Please read and record at least five entries in your reading diary. If you read to yourself, write a short comment about the storybook or non-fiction text you are reading. If you read with an adult, ask them to write a short comment and sign it.

Remember to complete quizzes on Accelerated Reader!

Maths

Your home learning is either on Mymaths or Mathwatch. The first username is dartmouth and the password is square, then you need to put your own log in details in. You will have one Mymaths tasks each week and it will be clear which activities have been set.

Spelling

There will be a spelling test every Thursday morning. Please complete the spellings that you have been given each week. You need to practise them at least 3 times a week and remember to show evidence of you practising them. If you learn them out loud with someone at home, please ask them to sign your diary.

Grammar

Your home learning each week is to complete the spag.com quiz.

Reading

Week beginning:

	Fri	Sat	Sun	Mon	Tue	Wed	Total
I have read to myself							
I have read to an adult							
Number of pages read:
