

Class 2/3 Daily Learning Tasks: Monday 18th May – Friday 22nd May

Dear Parents/Carers,

We hope you are all safe, healthy and happy. This week we want children to have a go at writing your own myth, using plans from last week. If children need to keep working on their plans that is absolutely fine. Feel free to watch lots of myth videos and listen to myths on storynory.com for inspiration. There are lots of suggested myths in the Reading section but you don't have to listen to them all and children are more than welcome to read their own books too. Remember you can find the White Rose Maths sheets on our school website. Year 3s are covering fractions again but it should be slightly different from what has been covered already. If you have any questions about it, send us an email. If children need more time on any of the lessons, please don't feel like you need to move on. It's great to repeat lessons and spend more time on the bits are tricky – working at your child's pace should really help them to understand ideas before moving on. <https://www.dartmouthacademy.org.uk/633/class-23>

If your child has a Lexia log-in, please feel free to use this instead of SPaG or Spelling Shed – we will get in contact if your child has an account to make sure you have log-in details. If you don't hear about Lexia from us separately, this means your child doesn't need to use it.

Year 2

<https://whiterosemaths.com/homelearning/year-2/>

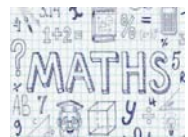

Year 3

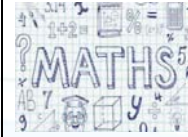

<https://whiterosemaths.com/homelearning/year-3/>

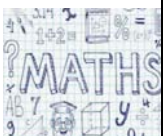

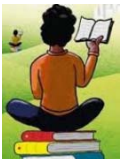

Please do send us pictures of the work your children are doing; it's great to see what you have all been getting up to!

Take care and stay safe,

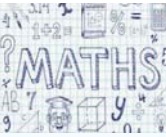

Mrs Gorton & Mrs Coburn-Lewis
